

ISO 45001:2018 INTERNAL AUDITOR TRAINING COURSE

Course Objectives:

This two-day course provides participants with an introduction of the requirements of ISO 45001:2018 Occupational Health and Safety Management System. It will also equip participants with the knowledge and skills to plan and conduct effective internal audits on OHSMS, and enable them to report audit findings clearly and undertake effective follow-up audit on corrective actions taken so as to ensure continual improvement.

The purpose of the training ensures a comprehensive transfer of knowledge and understanding of internal audit process based on ISO 45001:2018 requirements.

Course Contents:

- Development of OHSMS standard
- High Level Structure (HLS) and Plan-Do-Check-Act (PDCA) Model
- Introduction to ISO 45001:2018
